Re: Canadian National freight congestion in Barrington, Illinois

Attn: Phillis Johnson-Ball

Can you help us? We moved our residence and business from Des Plaines to Barrington 10 years ago. We loved Des Plaines, however could not stand for the constant grid lock caused by freight train traffic.

Now, we understand that Canadian National is poised to bring similar train congestion to the Barrington area. **What can you do to help us avoid this?**

Sincerely,

  
Marvin Kosowski
